

| Course No.      | Course Title  | Day  | Time       | Instructor               | Contact Hours | Credits | Type                       | Room     | Limit |
|-----------------|---|------|------------|--------------------------|---------------|---------|----------------------------|----------|-------|
| BIO202          | Biology for Engineers II  | Thur | 6-8:50pm   | Medvedik                 |               | 3       | 2 Lecture                  | 106      | 20    |
| BIO250          | Biotechnology in Environmental System                                 | Tues | 6-8:50pm   | Medvedik                 |               | 3       | 3 Lecture                  | 506      | 30    |
| CE151           | Urban Transportation Planning   | Wed  | 6-8:50pm   | Lennon                   |               | 3       | 3 Lecture                  | 506      | 30    |
| CE220           | Civil Engineering Fundamentals  | Mon  | 6-8:50pm   | Viola                    |               | 3       | 3 Lecture                  | 504      | 30    |
| CE322           | Structural Engineering II   | Mon  | 10-12:50pm | Lee                      |               | 3       | 3 Lecture                  | 503      | 30    |
| CE331L          | Introduction to Geotechnical Engineering                              | Wed  | 9-11:50am  | Huang                    |               | 3       | 3 Lecture                  | 503      | 29    |
| CE331A          | Introduction to Geotechnical Engineering Lab                          | Thur | 2-4:50pm   | Huang                    |               | 3       | 3 Lab                      | LL222    | 29    |
| CE341           | Design of Steel Structures  | Wed  | 2-4:50pm   | Panayotidi               |               | 3       | 3 Lecture                  | 503      | 29    |
| CE343L          | Water Resources Engineering   | Mon  | 2-4:50pm   | Ahn                      |               | 3       | 0 Lab                      | LL101    | 30    |
| CE343           | Water Resources Engineering Lab                                       | Tue  | 2-4:50pm   | Ahn                      |               | 3       | 4.5 Lecture                | LL223    | 30    |
| CE348           | Environmental and Sanitary Engineering                                | Thur | 2-4:50pm   | Yapjakis                 |               | 3       | 0 Lecture                  | 503      | 29    |
| CE361           | Civil Engineering Experimental Projects                               | Wed  | 2-4:50pm   | Yapjakis/Lee             |               | 3       | 2 Lab                      | 101      | 29    |
| CE364           | Civil Engineering Design II   | Tue  | 2-4:50pm   | Tzavelis, Argiris, Smith |               | 3       | 3 Lecture                  | 503      | 30    |
| CE391           | Laboratory Testing of Building Materials                              | Thur | 10-12:50pm | Tzavelis/Jamroz          |               | 3       | 2 Lecture                  | 502      | 20    |
| CE429           | Advanced Concrete Design  | Wed  | 6-8:50pm   | Panayotidi               |               | 3       | 3 Lecture                  | 106      | 10    |
| CE450           | Civil Engineering Construction  | Mon  | 6-8:50pm   | Moon                     |               | 3       | 3 Lecture                  | 106      | 20    |
| CE471           | Engineering Risk Analysis   | Tue  | 9-11:50 am | Lee                      |               | 3       | 3 Lecture                  | 201/A    | 15    |
| CE422           | Finite Element Methods  | Thur | 6-8:50pm   | Hapij                    |               | 3       | 3 Lecture                  | 305      | 10    |
| CE472           | Mass Timber Design  | Wed  | 9-11:50am  | Roelofs                  |               | 3       | 3 Lecture                  | 106      | 15    |
| CE473           | Earthquake and Wind Engineering                                       | Tue  | 6-8:50pm   | Syku                     |               | 3       | 3 Lecture                  | 306      | 10    |
| CE435           | Special Topics in Geotechnical Engineering I                          | Fri  | 6-8:50pm   | Chang                    |               | 3       | 3 Lecture                  | 503      | 15    |
| CE440           | Industrial Waste Treatment Design                                     | Thu  | 6-8:50pm   | Yapjakis                 |               | 3       | 3 Lecture                  | 306      | 7     |
| Ch111A          | General Chemistry Laboratory  | Tue  | 9-11:50am  | Bastos                   |               | 3       | 3 Lab                      | 404      | 16    |
| Ch111B          | General Chemistry Laboratory  | Fri  | 9-11:50am  | Bastos                   |               | 3       | 3 Lab                      | 404      | 16    |
| Ch111C          | General Chemistry Laboratory  | Fri  | 2-4:50pm   | Kolack                   |               | 3       | 3 Lab                      | 404      | 16    |
| Ch111D          | General Chemistry Laboratory  | Wed  | 9-11:50am  | Birke                    |               | 3       | 3 Lab                      | 404      | 16    |
| Ch111E          | General Chemistry Laboratory  | Wed  | 1-3:50pm   | Newmark                  |               | 3       | 3 Lab                      | 404      | 16    |
| Ch111F          | General Chemistry Laboratory  | Mon  | 2-4:50pm   | TBD                      |               | 3       | 3 Lab                      | 404      | 16    |
| Ch111G          | General Chemistry Laboratory  | Thur | 2-4:50pm   | TBD                      |               | 3       | 3 Lab                      | 404      | 16    |
| Ch160           | Physical Principles of Chemistry                                      | Thur | 1-2:50pm   | Savizky                  |               | 3       | 3 Lecture                  | 503      | 30    |
|                 |   | Wed  | 12-12:50pm |                          |               |         |                            | 504      |       |
| Ch232/Ch232.1   | Organic Chemistry II / Principles of Organic Chemistry II             | Thur | 12-12:50pm | Barrios                  |               | 3       | 3 (232), 2 (232.1) Lecture | 427      | 35    |
|                 |   | Wed  | 3-3:50pm   |                          |               |         |                            | 506      |       |
|                 |   | Mon  | 1-4:50pm   | Barrios                  |               | 4       | 2 Lab                      | 406      |       |
| Ch233A          | Organic Chemistry Laboratory  | Mon  | 1-4:50pm   | Barrios                  |               | 4       | 2 Lab                      | 406      | 8     |
| Ch233B          | Organic Chemistry Laboratory  | Thur | 1-4:50pm   | Chuahuan                 |               | 4       | 2 Lab                      | 406      | 8     |
| Ch233C          | Organic Chemistry Laboratory  | Wed  | 9-12:50pm  | Carbury                  |               | 4       | 2 Lab                      | 406      | 8     |
| Ch233D          | Organic Chemistry Laboratory  | Fri  | 9-12:50pm  | Kolack                   |               | 4       | 2 Lab                      | 406      | 8     |
| Ch362           | Physical Chemistry II   | Tue  | 10-11:50am | Newmark                  |               | 2       | 2 Lecture                  |          | 35    |
| Ch340           | Biochemistry  | Mon  | 6-8:50pm   | Radoff                   |               | 3       | 3 Lecture                  | LL210    | 20    |
| ChE232          | Chemical Engineering Thermodynamics I                                 | Tue  | 2-3:50pm   | Shalaby                  |               | 3       | 3 Lecture                  | 427      | 30    |
|                 |   | Thur | 12-12:50pm |                          |               |         |                            | 505      |       |
| ChE332          | Chemical Reaction Engineering   | Mon  | 10-12:50pm | Okorafor                 |               | 3       | 3 Lecture                  | 427      | 30    |
| ChE342          | Heat and Mass Transfer  | Tue  | 4-4:50pm   | Okorafor                 |               | 3       | 3 Lecture                  | 427      | 30    |
|                 |   | Wed  | 10-12:50pm |                          |               |         |                            | 427      |       |
|                 |   | Thur | 9-10:50am  | Stevenson                |               | 3       | 3 Lecture                  | 104      |       |
| ChE352          | Process Simulation and Mathematical Techniques for Chemical Engineers | Wed  | 5-5:50pm   |                          |               |         |                            | 427      | 30    |
| ChE372A         | Chemical Engineering Laboratory II                                    | Wed  | 1-4:50pm   | Weiser                   |               | 4       | 3 Lab                      | 303/304  | 12    |
| ChE372B         | Chemical Engineering Laboratory II                                    | Thur | 1-4:50pm   | Weiser                   |               | 4       | 3 Lab                      | 303/304  | 12    |
