ORGANIZED BY THE CENTER FOR CAREER DEVELOPMENT

Architects and artists are invited to learn how to access money for projects through fiscal sponsorship.

Dianne Debicella is the program director of fiscal sponsorship at Fractured Atlas. Ms. Debicella will define the concept of "fiscal sponsorship" and contextualize it in relationship to other kinds of funding mechanism and sources. She will also highlight additional resources available to architects and artists through Fractured Atlas, including the Artists Affordable Healthcare Initiative.

Fractured Atlas is a non-profit organization that serves a national community of artists and arts organizations. Their programs and services facilitate the creation of art by offering vital support to the artists who produce it. For more information, see <http://www.fracturedatlas.org/>.
